My dear Sam.

Sam this moment in receipt of yours of today (Telegram) saying send "Six hundred more by mail" I do not know if this is after my advices of this morning saying I had sent Two thousand more. But it will do no harm for you to have the money in your account. so I enclose herewith Check on "The Bank of California" to your order - No 46 for One Thousand dollars ($1000.) making $2000. in all since my return.

Philadelphia seems to be paralyzed in the way of investments. Developments connected with Bardsley - Keystone - Spring Garden Bank matters - with a "more yet to come" people think - show a rottenness never before suspected -

Ever affy yr father W. J. Cheyney
